

Special Features for “World’s First Material Processing & Inspection”

※As of April 15, 2019. In random order. Exhibitors and products may differ from the actual ones at the show.

Ceramic 3D Printer

The molding of the ceramic part having an impossible super minute 3D structure by the conventional method, is possible using our product.

SHASHIN KAGAKU CO., LTD.

2D Spectroradiometer + industrial microscope

World's first microscopic spectroscopy measurement. Realized spectral measurement with 1.4 million pixels in a small area.

NIKON INSTECH CO., LTD.

Metal Pressure

This machine can remove contamination easily by using cleaner and pressure.

MARUYASU CO., LTD.

UV Irradiation Devices

UV Irradiation Devices for UV Curing. Demonstration will be available in the booth.

CCS INC.

Corona Evaluation System: TWC-4AX

It is suitable to evaluate the characteristic of film samples.

KASUGA DENKI INC.

Cutting Machine: CX-310A

[World's First Technology] Cutting machine for nonwoven fabrics, films, and tape adhesives.

CORTEC

Spectrophotometer for Color, Oil & Haze

4 types of measuring such as spectral transmittance, color value, petroleum product color, haze are possible with one instrument.

NIPPON DESHOKU INDUSTRIES CO., LTD.

Ultrasonic Plastic Welder

High quality ultrasonic plastic welder. Demonstration will be available in the booth.

NIPPON AVIONICS CO., LTD.

Coating Booth Water Purifier

It is possible to be purged away if equal to or more than 5 tons of booth water can be about 5 tons purged away at one but take time.

KANKYOUKG CO., LTD.

QUV Accelerated Weathering Tester

The QUV accelerated weathering tester reproduces the damage caused by sunlight, rain and dew.

SANYO TRADING CO., LTD.

IPA series

[World's First Technology] The camera position can be any setting, and supports the diagonal, vertical and horizontal position of the mark.

FUJI SHOKO MACHINERY CO., LTD.

Coating Thickness Meter

Compact Coating Thickness meters measurable quick for thicknesses on metal.

SANKO ELECTRONIC LABORATORY

And more related products available at the show!
